

Investment Application
STEP 1: Understanding your investment

Before you invest:

- Read the applicable **Product Information Document**, **Minimum Disclosure Document(s) (MDDs)** and **Portfolio Supplement(s)** thus ensuring that you understand the benefits and terms of your investment. These documents are available on the website or from your Financial Advisor.
- Effective Annual Cost (EAC), is a measure which has been introduced to allow you to compare the costs that you incur when you invest in different financial products, and the impact it has on investment returns. It places you in a position to make informed decisions around retail savings and investment product choices. The EAC calculator and further information is available on the website or from your Financial Advisor.
- It is important to note that because the Administrator does not provide financial advice, you are able to appoint an approved and licensed Financial Advisor (provided they have a contract with us), should you require guidance with your Portfolio selection.

STEP 4: Process payment

- Banking details will be provided upon completion of the Customer Due Diligence process.
- Upon payment, please provide us with proof of payment of your investment contribution

STEP 5: Look forward to your Investment Confirmation

- Please take note of the processing timelines pertaining to your investment instruction/s as set out in the **Product Information Document** and the **Portfolio Supplement(s)** related to your chosen Portfolio.
- Please also be aware that we will only be able to process your investment once all related investment documents have been received and your investment contribution reflects in the Fund's bank account
- You will receive a confirmation from us once we have received a complete set of investment documentation, as well as an investment confirmation once your initial contribution has been invested.
